## ACKNOWLEDGMENTS

My most heartfelt gratitude to the following people for their advice and support:

To Pamela Chilton, C.Ht., and Hugh Harmon, Ph.D., authors of *Odyssey of the Soul: Apocatastasis*, for writing the book that inspired me to take my own soul journey, and for all they have taught me along the way. Special thanks to Pamela, my mentor and my friend, for helping my inner levels to heal and for her steady guidance and help with this book.

To Carolyn Bond, my editor, for helping me develop my transcripts into a coherent book, and for teaching me to talk to my reader as if we're sitting at a kitchen table.

To Wendy J. Carrel, Author Ambassador, for embracing my message and helping me spread the word.

To Marilyn Parsons, fellow voyager, for her great energy and positive feedback from a very discerning reader.

To Dr. Gabriele Alpers, my soul sister, for her inspiring commitment to find the lessons in her childhood.
